Liebe Freunde des Deutschen Gottesdienstes!

Earlier this month, we gathered to celebrate our first Gottesdienst since the arrival of the pandemic in Louisiana. It was so gratifying and uplifting to see so many of us together again. Having evaluated that service and the implementation of our safety protocols, the Vorstand are satisfied that we may continue to assemble with these safety guidelines in place. Therefore, I publish to you the calendar of our services for the next several months.

For those of you who are unable to attend, please know that though we must be separate for now, you are not far from our hearts in prayer. To parishioners who are minded to rejoin us, remember that masks are required and that social distancing must be observed. At the next meeting (4. Oktober), we will celebrate Erntedankfest, and the Vorstand are considering the possibility of re-introducing a fellowship component to our gathering, such as the screening of a film.

Thank you for your support of our church in these challenging times. The kindness and generosity so many have shown over this summer have been a refuge and strength to our community.

Ihr,
Pastor Richard Easterling +
